Program Overview

Wharton's Pre-Baccalaureate Program permits exceptional high school students to enroll in one or two courses per session for college credit. Pre-Bacc students will be assessed and evaluated as traditional undergraduate students. Upon successful completion of the program and all coursework included therein, Pre-Bacc students may request official copies of their Wharton/University of Pennsylvania transcript outlining courses completed and grades earned. When applying for full-time undergraduate study, either at Penn or another institution, you will be required to submit all secondary and post-secondary academic transcripts, which includes the transcript you will receive within the Wharton Pre-Baccalaureate Program. As such, it is imperative all students take coursework seriously, take advantage of university resources available to them, and relay any concerns to an academic advisor immediately.

Note: Participation in Wharton's Pre-Baccalaureate Program does not guarantee admission into the University of Pennsylvania.

Academic Calendar

Wharton Pre-Baccalaureate students are subject to the same academic calendar, deadlines, and policies as Wharton and University of Pennsylvania undergraduate students. Penn's summer term spans two sessions: Summer 1, 2022: May 23 – June 29, 2022, and Summer 2, 2022: June 30 – August 5, 2022.

	Summer Session I	Summer Session II

Last Day to Drop a Course with No Financial Obligation and No Notation on the Transcript	May 31	July 7
Last Day to Change Grade Status in a Course (Pass/ Fail)	June 8	July 15
Last Day to Withdraw from a Course. Full Financial Obligation Applies. Transcript to read "W."	June 22	July 29
Classes End*	June 29	August 5

*Summer Sessions do not have a set schedule for final exams. All exam dates are at the discretion of the course instructor.

To make changes to course registration and/or or grading status, students must email wgyp-prebacc@wharton.upenn.edu.

Course Information

All Pre-Baccalaureate Program courses are offered in a fully online format. Courses include live, synchronous class meetings as well as asynchronous lectures and content. For live class meetings, students must log in during published class meeting times for lectures, discussions, and assignments. Published class meeting times are set to Eastern Standard/Daylight Time. Attendance for all live class meetings is mandatory and students are advised to keep cameras on throughout class to ensure active participation and engagement.

Beyond live class meetings, additional coursework will be required. Students may be assigned readings, video lectures, group projects, or independent assignments designed to meet course learning objectives. We estimate an additional 5-10 hours of work will be required outside of live class meetings. All assignments and applicable deadlines will be clearly outlined in the course syllabus, to be provided by the instructor at the start of term. Once received, review the syllabus carefully to familiarize yourself with course content topics, objectives, policies, and timelines.

Technology Requirements

In order to fully participate in courses, you will need a computer that meets the minimum system requirements for Canvas LMS and Zoom Videoconferencing. A webcam with microphone is also required. While some components of coursework may be accessible with a mobile device, it is not recommended. Refer to the following links for specific requirements:

- [Canvas LMS Support Resources](#)
- [Zoom Requirements and Support](#)

Course Selection and Registration

Pre-Bacc students are eligible to register for 2 courses per session. Courses must be chosen from the list of approved [Pre-Baccalaureate courses](#).

To initiate course registration, students must:

- **New Students:**
 - Complete the online [Onboarding and Resource course](#) through Canvas, including the Course Selection module.
 - Instructions for accessing the [Onboarding](#) course are included in the students' official admission letter.
- **Returning Students:**
 - Complete the online [Onboarding and Resource course](#) through Canvas, including the Course Selection module.
 - Instructions for accessing the [Onboarding](#) course are included in the returning students' interest survey link.

Due to course quotas and academic prerequisites, enrollment in a specific course is not guaranteed; we strongly encourage students to select an alternate course. Registration confirmations will be sent via email in advance of the term. Students may elect to change their course registration at any time before the start of classes.

Academic Policies

All students are required to abide by all Wharton and University of Pennsylvania policies, including the Code of Academic Integrity and the Acceptable Technology Use Policy.

- [Code of Academic Integrity](#)
- [Acceptable Technology Use Policy](#)

Grading System

The following grades are used to report the academic standing of a student upon completion of each course.

A+ = 4.0 Distinguished	F = 0.0 Failure
A = 4.0 Excellent	GR = No Grade reported for student
A– = 3.7	NR = No Grades reported for course
B+ = 3.3	I = Incomplete (see below)
B = 3.0 Good	II = Extended Incomplete (see below)
B– = 2.7	P = Pass, A+ TO D
C+ = 2.3	S = Satisfactory progress
C = 2.0 Average	U = Unsatisfactory
C– = 1.7	W = Withdrew
D+ = 1.3	AUD = Audit
D = 1.0 Below Average	X = Academic Violation

Pass/Fail Option

Pass/Fail is an option to encourage students to continue with courses in subjects that may prove challenging. Regulations concerning the Pass/Fail option are:

1. In courses taken Pass/Fail, the standard letter grades A-D are converted to P (Pass) by the Registrar. A failure is posted as an F.
2. Grades of P are not computed when determining students' grade point averages; grades of F are computed.
3. The Pass/Fail option stipulates that the instructor is not to be informed of those students who have enrolled Pass/Fail.

Credits and Credit System

Penn academic credit is measured in "course units" (CUs). Pre-Baccalaureate courses award a half course unit, 0.5CUs, which is equivalent to two semester hours or college credit hours at most other institutions. If planning to transfer your Penn credits to your future undergraduate institution, please maintain a course syllabus and transcript, as these will aid in the transfer.

If applying to one of Penn's undergraduate schools, you may learn about Penn's [Pre-College/Dual Enrollment Work policy here](#). At this time, credits accrued through Wharton's Pre-Baccalaureate Program are accepted within the Wharton School for undergraduate credit.

Incompletes

An incomplete grade indicates a student has not completed all the work in a course and has done so with the instructor's permission. An instructor who chooses to grant an extension to a student who has not completed a course by the end of the term may grant either an Incomplete (I) or an Extended Incomplete (II). An Incomplete must be made up within the first four weeks of the start of the next term, and an Extended Incomplete must be made up by the end of the next term. In either case, if the Incomplete is not made up by the deadline it will become an F.

Failures

A grade of F remains on the student record and cannot be erased, even if the student repeats the course and earns a passing grade. A grade of F is always calculated into the cumulative grade point average.

Final Examinations

No students shall be excused from a final examination in a course where such an examination is required. In exceptional instances, such as serious illness or injury, students may be allowed to postpone the examination with the approval of the instructor.

FERPA Policy

As stated by Federal law, the Family Education Rights and Privacy Act (FERPA), protects the privacy of student educational records. Students in the Wharton Pre-Baccalaureate Program are protected under FERPA policies, meaning information regarding a student's performance in the classroom or any identifying academic information may not be released to anyone but the student. Should a student wish to release their records to a parent or guardian, they may complete a [FERPA Waiver](#) and return to wgy-prebacc@wharton.upenn.edu.

End of Term

Transcripts

An official transcript of a student's academic record is available from the University Registrar. To request a transcript, follow instructions outlined below, or on the [Registrar's website](#).

1. Log into [Penn InTouch](#) with your PennKey and password
2. Access the 'Academic Records' link from the left-hand menu
3. Three dropdown box options will appear:
 - a. View Grades – view current and previous semester grades
 - b. Transcript and GPA – view an unofficial copy of your transcript and GPA
 - c. Order Transcripts – request hard or soft copy transcripts after completing a few prompts; transcript copies are \$10 a piece

Program Continuation

All students who are age eligible and remain in good academic standing are invited to continue with the Pre-Baccalaureate Program for future terms – no additional application necessary. Good academic standing is measured as a cumulative 3.0 GPA (B) or higher in Wharton coursework. Shortly before the start of each term, the Wharton Global Youth team will invite eligible students to return. It is not a requirement to continue with the program; it is simply an opportunity to continue your students should you be interested. Students who do not meet the 3.0 GPA are asked to reapply for the program should they wish to continue.

Tuition and Billing

Course tuition and fees are calculated in the same manner as all other non-degree undergraduate students at the Wharton School. Tuition and fees are charged per course, as outlined below. All billing for the University is done on an electronic basis via [Penn.Pay](#). Billing statements are issued directly to the student's Wharton email.

- [Accepted Payment Methods](#)
- [Billing Schedule](#)

	Tuition	Online Services Fee	Materials Fee
Summer Session I & Summer Session II	\$4,230/course	\$70/course	\$76/course*

In addition to tuition and fees, all students are financially responsible for any other fees associated with attending courses, which may include textbooks, software, course materials, etc.

Students who attend a School District of Philadelphia public or charter high school may attend one course tuition-free per term. Tuition and fees are automatically waived; there is nothing further students need to do.
